“ So sorry *Diana* for the loss of your mother. She was such an integral part in my coming to know Jesus. As you may remember, she picked me up and took me to church many times before mom and dad returned to attending church. She and my mom became very good friends and encourage each other in teaching Sunday school and VBS, missions and activities at *Pernell* school. When my dad was badly burned in an oilfield accident, *Pat* was great to come by our house to check up on us 3 kids while my mother had to be at the hospital in *OKC*. She was a rock when we needed one and I will forever be grateful. Loved your mother.
