“ *I was saddened by the news of Patsy's death! Patsy and I exchanged Christmas cards and an occasional phone call for many, many years. This began in Midland when my Jack and her Cack formed Well Fluids - a drilling fluids company to some, but a "mud company" to most of us. We continued to keep in touch when we both lost our husbands. Last Christmas, I was fearful that she was ill - but hopeful that she just forgot! With condolences to all of her family. Barbara Nini*
