“ *To the Fields Family: I was saddened to learn of the homegoing of Mrs. Patsy, as we called her. I will always remember Mrs. Patsy's smile and encouraging remarks to me while attending high school in Pauls Valley, then later on in college. Sometimes I would drop by the house just to hear her say some kind words to me. She seemed to always to know something about my whereabouts, no matter how long it was from one visitation to the next. On my last visit with Mrs. Patsy which lasted about two hours, she told me several positive and humorous things about my father that I had not known before. Mrs. Patsy had a wealth of information that was just ready to told to anyone willing and interested.*

I wish I had spent more time with Mrs. Patsy! She will be missed. May god continue blessing you, Roger, Eugene and Wallace.

Sincerely,

“ I am a Pauls Valley High School classmate (Class of 1966) of Mrs. Fields' son Wallace. Wallace and I were teammates in football, basketball and track. I also knew Wallace's older brother, Eugene. They are very fine men, and I am lucky to have known them. I am sorry about the passing away of your mother. I also had a high regard for your father, Jesse Fields, also a fine man.
