“ *Terry and family,*

With great regret and sorrow we send this. Paula was an incredible woman as you well know. She had the wonderful ability to light up a room whenever she walked in. Without a doubt, she was truly one of the most wonderful, kind, caring, and loving woman we have ever met. Our prayers are with you and yours during this the most trying of hours. We will miss her terribly. Our love is with you all.##imported-begin##Wade, Melissa, and Abigail Hisle##imported-end##

“ *It's with deep sadness that I write this. Mr. Hefley, I can't imagine your pain, but I do know how extraordinary Paula was. The one thing that stands out most was her smile, because it could light up a room. It's been a million years since I last seen Paula or her sons, but it's hard to forget a one of a kind person. God's peace and mercy be with you and all four of your sons during this difficult time.*
