“ Philip there's not a day that goes by that I don't think of you. You are missed so very much. There is such a void in our family. Life hasn't and never will be the same without you here with us.....Your baby girl Daisy still talks about you and still loves you. She's so smart for her age. Her 3rd birthday is soon approaching in september. I see her often. She loves me so much. I'm thankful Erika has allowed us to be in her life. She let's her go to church with us too. Daisy loves Sunday school and the children and she loves clapping her hands to the singing.....Dare has had such a hard time without you. That girl adored you more than we'll ever know. She has such a deep love 4 you philip. I have felt so helpless as her nana. I thought she might not make it,but here lately I have noticed that she has had more of a hopeful look in her eyes. She really is a beautiful girl and I love her soon much. Thank you for these 2 precious girls you left with us..... well I don't know how much time you have to read in heaven but hopefully you can find time in between visiting mansions or visiting with God to read this letter. I love you son and I always will. Love, Mom
