“ *This is in memory of my mom. She and my dad adopted me and made life a lot better than it was. She did many wonderful things for all that was in her life. She was a wonderful wife, mother, and friend to those who new her. Our loss is great, but she now walks with God in his heavenly kingdom. I will miss you greatly and hope now you can forgive me for all the hurt given you when I grew up. I love you mom and miss you*
