“ The song that once was in my heart
Has gone away today
The flowers were placed in rare array
Upon my best friend's grave
I tried to just remember all the moments
That we shared
Good times outweighed the the bad times
We were the perfect pair
He would start a sentence
And I finished it for him
Our thinking was together
I always knew the words
Now my best friend can talk to Jesus
I'll end that sentence too
For tomorrow comes real often
And your work on earth is through
I will always love you Q
