“ *Ree was my classmate. I attended that school my final 3 years of high school. We were in the same graduating class. She was my good friend. She was such a good person and we had a lot of fun together. Ree always had a smile and liked to laugh. I was delighted to see her and enjoy a good visit with her at our 50 year class reunion. - Sue Moore Fielden*

Just want to tell you that it was a pleasure to know Ree. She was a very loving person and never turned anyone away. I love her and her mom very much and know who Ree got her loving nature from. She will surly be missed by lots of people including me. But she is in a much better place dancing around the feet of Jesus. Love her and will miss her.

“ I remember the way Mrs. Ree worshiped. She needed lots of room because she was going to worship God with all her heart, soul and mind! This is a memory that I will have forever.

“ Ree was one of the nicest people I ever met - and I loved her sense of humor. We worked together at Hilltop School and she was like a second mother to my daughter, Carrie Myers. Lisa, I know you will miss her so and my heart goes out to you and your entire family. Carrie was the one who called to let me know-our prayers go out to you.
