

## Reggy Henderson

January 14, 1943 - February 9, 2019

Reginald “Reggy” Paul Henderson of Elmore City, Oklahoma was born to Morris Stephens and Evelyn Naomi (Orr) Henderson on January 14, 1943 in Pauls Valley, Oklahoma and passed from this life on February 9, 2019 in Davis, Oklahoma at the age of 76 years.

Reggy grew up and attended school in Elmore City, Oklahoma. In his younger days, Reggy pulled his sister Marcia around in a wagon, and enjoyed playing with his friends. To be cool, he would roll his cigarette pack in his t-shirt sleeve like James Dean. While in high school, Reggy obtained Chapter Star Farmer in FFA. He had the highest score of any Elmore City student of Hoards Dairy Farmer Judging Contest under Maurice Cantwell, FFA Advisor. He was an All-District Half Back in 1961. Reggy loved shop and showing livestock. He was class president his Senior year and Outstanding Boy of Elmore City his junior year. He graduated from Elmore City High School in 1961 and then attended Murray State College. He received his bachelor’s degree at East Central University. His internship for medical technology was at Valley View Hospital in Ada and Pauls Valley General Hospital. Reggy later worked for the Pauls Valley State School until his health failed. He also trained race horses at Henderson Heights Farm. The highlights of his life were the marriages of his children, births of his grandchildren, and taking care of the flower bed at church. He taught others the importance of believing and trusting in the Lord and spreading the gospel. In his spare time, he enjoyed gardening, spending time with family, fishing, raising canaries, drinking coffee at the Badger Den

and attending worship services.

“ Thoughts and prayers are with Evelyn and Reggy's Family. May  
God's Blessings be with  
all of you. We lived across the street from them when Reggy was a  
small boy. I am sorry, but I don't remember the younger children like  
we did him.  
My brother, Wayne and sister, Carolyn and I liked to play with  
Reggy. We were all older, but we always enjoyed spending time  
with younger kids. My family moved away in '51, so we weren't  
around after he was grown.  
I have visited with Evelyn at the last two school reunions.

*Prayers for all in your loss,*
