

Rebecca Rae Kelly Teafatiller

August 12, 1996 - June 27, 2015

Rebecca Rae Kelly Teafatiller of Elmore City, Oklahoma was born on August 12, 1996 to Nathan D'Wayne and Deana Fay (Oxley) Teafatiller in Pauls Valley, Oklahoma. Her life was tragically cut short on June 27, 2015. Becca lived life to the fullest. She had a contagious smile and passionately loved her family and friends.

After graduating high school, Becca attended college at Southeastern Oklahoma State University, where she was studying to become a pediatrician. Becca's goal in life was to help others.

While attending college, Becca worked at Texoma Medical Center as a phlebotomist.

I look though the obituaries every day, as a home health care work or 9 years your always fearful of seeing a patient in the paper. But it's expected. To see such a beautiful young life, taken way before her time, it's unfortunate knowing what could have been of this life. I'm pray for the family and friends of your loss. But I know in my heart that your with our lord. Flying high above us watching now and waiting to meet others at that golden gates. Rest in peace sweet Rehbeca.

I had the pleasure of meeting Becca a couple years ago at Snyder. Her grandfather, Ray, is a very good friend of our family. I have never met such a cheerful young lady. Please know our hearts are with you and know that God is enjoying her beautiful smile and personality now.

“ *I only had the pleasure of knowing Becca through Higher Ground Youth Group, but everytime I saw her she was smiling or laughing. Everyone loved spending time with her. She always noticed when other kids felt awkward about joining others in activities and went out of her way to make them feel comfortable and included. I always admired her ability to make everyone feel valued and at home around her. May her memory be eternal. -Taylor Wilson*
