“ Clai was one of my very best friends and I will miss him forever. We first met at Pauls Valley State School and became fast friends with each others family. I remember him comforting me at my Larry's funeral, he and Wanda planning our wedding and reception, and he and Wanda attending my sons wedding. Clai had a heart as big as he was tall. If you needed help, you just had to call. Please, rest in peace now. The pain and sadness is gone. I will grieve for you and yet, I will remember the fun times we had. God Bless you and your family and friends.
