“ *Betty I am sadden tonight after reading in the paper that Dale passed awy. My Sympathy, love and prayers are with you and your family. You all will have many happy memories to share with each other in the future. God Bless you all during this time of grief.*

There is a saying that goes like this:

They say it takes a minuite to find a special person. An hour to appreciate them. A day to love them, but then an entire life to forget them. To me Dale was that kind of a man.

Donot value the things you have in your life, but value who you have in yhour life.

May the love of friends and family give you comfort in this difficult time.##imported-begin##Harold Bradley##imported-end##
