

Robbie DeWayne Bennett

December 3, 1986 - January 6, 2025

Robbie DeWayne Bennett, 38, of Sulphur, Oklahoma, tragically passed away on January 6, 2025. Born on December 3, 1986, in Ada, Oklahoma, to Ronald DeWayne Bennett and Trudy Jane (Lumpmouth) Bennett, Robbie lived a life full of love, passion, and adventure. He was a proud member of the Confederated Tribes of Warm Springs in Oregon and was 1/4 Cheyenne and Arapaho Tribe from Oklahoma, honoring his rich cultural heritage throughout his life.

Robbie graduated in 2003 from Madres High School in Oregon, where he excelled on the basketball court and created cherished memories playing games with his siblings and cousins. Over the years, he built a diverse career, beginning as a bellhop at Kah-Nee-Ta Resort in Warm Springs, Oregon, working as an order filler at Walmart Distribution Center in Pauls Valley, Oklahoma, and later honing his skills as a machinist at Kerr Pump in Marietta, Oklahoma.

Robbie's passions were as wide-ranging as his travels, which took him across the United States and to places like Mexico, Tijuana, and the Bahamas. He loved building custom firearms, working on cars, and playing disc golf. A self-proclaimed foodie, he enjoyed eating out and sharing meals with loved ones, including teaching his sister the art of making gravy—a memory she treasures deeply.

A devoted family man and friend, Robbie's positive spirit and selfless nature left a profound impact on everyone he met. He was fiercely dedicated to his

family, friends, and community, often going out of his way to help anyone in need. He was a passionate advocate for a life free from drugs and always stood as a beacon of encouragement and support to others. "In life, Robbie built not just things, but relationships, memories, and legacies that will stand the test of time."

Robbie's memory will forever be cherished by his parents, Ronald and Trudy (Lumpmouth) Bennett of Pauls Valley, Oklahoma; Brother, Wade Bennett of Pauls Valley, Oklahoma; Sister, Felicia Bennett of Pauls Valley, Oklahoma; Grandmother, Linda Williams of Byars, Oklahoma; and nephews, Delmar Whitefoot, Mitchell Whitefoot Jr., Brayden Bennett, and a host of other family and friends.

“ I will always remember the times we had Grandma's house and the birthdays at my aunt Trudy's and the summers we all shared as kids. I'll never forget how we thought the greatest ideas n only came from older brother Robbie when we was kids, being talked up into doing (what we thought was cool) the most boarder line dangerous stunts, frozen paint balls was the one I'll never forget, getting hit in the leg on accident had to our brother Robbie giving me 5 bux and first turn to shoot his gun lol I thought I was the luckiest to get the privilege. Lol Robbie always had the coolest cheat code books to the coolest cars n most of all he has the coolest memories with the biggest heart. I love you Robbie always n forever. “Robbie was a young man who if you met him, he left a lasting impression or made a significant impact on your life. He was a kind sweet soul, genuinely caring and soulful. I haven't known him long just since he transferred to Marietta from Sulphur. He would always have a smile on his face and was approachable by everyone he met. There are people who leave a profound positive mark on lives they meet, he is one of those. He would often come into the office to fill out a form for a dental visit. Those dental visits became a "running joke", a point of laughter you might say. When he came into the office before Thanksgiving to turn in a leave request, I jokingly said..."Another dental appointment Robbie"? He laughed and said nope... I am going to Mexico on vacation, someday I want to live there. Robbie was and will always be one of the kindest most polite young men I have ever met. I didn't get to see him Monday after work , we usually walk to our cars at the same time.. he would always say "see you tomorrow", and I would tell him to" drive safe see you later"... I will see you again my friend.. Later. For now may peace be with you, and may your family be held in the hands of our Creator.

“Robbie was a true friend of mine and I will always cherish his kindness he has always shown me through out our lives. The day I remember most is the day we graduated from high school in 2005 my sister in law Felicia had braided my hair for graduation and omg the braids were so tight it made my eyes looked more Asian than Normal lol and I was putting on my cap and had asked him to help me being the gentleman he was he helped me and when I looked up he started laughing and I was like what? He said I looked I had too much Botox because my eyes my were pulled back so much from my braids. Lol then we were talking about how we were finally done with school and graduating. He had the most gentle soul I have ever met And I will miss him dearly. I love you Robbie and thank you for always being such a great friend to me you will always be in our hearts. Your nieces Veronica, Robyn and Sherri love you too. Until we meet again watch over us. Fly High Brother

My nephew Robbie was so kindhearted and always had a smile on his face. Never did I see him get angry when they were young. As he got older, he was still the same. When he moved in with one of his older cousins, I bought him couple of things for their bachelor pad, lol. I teased him, don't lose this stuff, he just smiled. He will be truly missed. It was hard for to believe about his passing, I couldn't stop the tears, because he was so caring, for everyone. Someday we shall meet again, nephew.
