“ *My heart breaks for this amazing mans family. I met this unique man at a sale i had. From that day on i considered him a very good friend and a person everyone could have benefited getting to know! He was so proud of his daughter that when he spoke of her his eyes lit up with love and life. Never thought i wouldnt be able to pick up the phone and call on him for advice or find out where to find a good estate sale. He purchased some spurs from me he intended on leaving his girl tori one day. i do pray she gets them and no matter the value know that he loved her so very much that i know she has gained one huge gift, the best guardian angel anyone could ask for. RIP*
