Robert was a lifetime member of the ARBA community. He was beloved by this community and traveled the United States raising, showing, and judging rabbits. He took great joy in teaching younger generations the craft of the rabbit world.

“ *Robert was a good friend and neighbor to me when in our middle 20's we lived across the street from each other. I was honored when Robert and Shelia agreed to be god parents to my 2 oldest children. He was a compassionate man and my memories of time we all spent together will always keep him close to my heart.*
