

Robert Trone Rennie Jr.

September 28, 1953 - July 6, 2023

Robert T. Rennie Jr. “Bobby” was born to Bob and Sue Rennie in Pauls Valley, Oklahoma on September 28th, 1953. He attended Pauls Valley schools and graduated in 1971. His childhood was centered around family and friends. Spending summers in Wyoming with his Maternal grandparents Les and Ruth Holley, vacationing in Washington DC with his paternal grandparents Fred and Lillian Rennie, raising bottle calves and rare coin hunting with his Nanny (Lillian), and growing up with his younger brother Fred Holley.

Bobby was very active in high school. He was on the football team, was the Lt. Governor of his local Key Club chapter, attended Boys State, and was a member of the Senior Student Council. After graduating high school he set his sights on his mother and fathers alma mater and attended the University of Oklahoma.

In November of 1971 he and his wife Cathy Greiner welcomed their first son Robert Rennie III. Two years later they welcomed their second son Ryan in August of 1973. In college he worked hard raising a family and as a night jailer, also working at the state capital. After graduation from Law School he worked in the Cleveland County DA’s office. He started his private practice in 1979 at Scarce, Tipton and Rennie.

He married his wife and love of his life Vicki in 1982 in Pauls Valley where

they raised their family and Bobby practiced law. He loved working cattle with his dad and brother and was a very active and loved member of the community. He served on many boards and was a member of quite a few local organizations. Bobby had many loves in his life 6 notable ones were Dog, Boomer, Sooner, Buddy, Luke and Leia. He was very dedicated to his dogs and the ones that didn't have a loving home and because of that he regularly donated to The Pauls Valley Animal Welfare Society and served on their board.

He loved games and playing poker and gin with his family and friends. He and his buddies would take regular trips to Vegas to play poker and lots of family games of gin with his sons, nieces and nephew. He spent lots of time boating and on the lake driving his family around while they skied.

Annual trips to Palm Beach were a highlight of his. He loved spending time with his family there, doing everything to put smiles on their faces. Telling jokes always being part of his conversation.

He is preceded in death by his father and mother, Robert "Bob" and Sue Rennie. His maternal grandparents Lester and Ruth Holley, his paternal grandparents Fred "Granger" and Lillian Rennie, his brother Fred Holley Rennie, and cherished dogs, Boomer, Sooner, Buddy, and Luke.

“ Bobby, it has been almost two months you left us, and you are so missed by everyone. Vicki is getting by, but her heart is broken forever. You were the love of her life, and she will always be your wife. You were my friend since you were nine years old, when you and Fred Holley would roller skate in front of the law office where I was working which was next door to your parents' law office. You were a kind and generous man, contributing to our community. Rest in peace, my friend! 💔

“ Bobby was so amazing. I remember a very special thing he did for one of our clients (a kiddo who was hospitalized for a long time) and at one of his Hearings , Bobby knew he wanted a remote control car. Bobby brought it in and guided it across the desk, inch by inch. He was so proud of that car. Just a genuinely great human being - to the bone 🌹

Bobby will be remembered with respect and admiration by the community to which he gave so much. It won't be the same not seeing him on him on his way to the Court House with that look of purpose on his face and fire in his eyes. His love of Vicki and pride in their family was always evident. God holds him in his hands as we will in our hearts.

“ We were so blessed to have known Bobby, to have our paths cross this side of eternity. Working within the legal community for 30 years it was a joy and always fun visiting with Bobby. Was glad he and Steve got to visit and talk with each other and get to know each other over the years. We will miss his wit and humor and his smile. Our prayers are that God will grant Bobby's family comfort, peace and strength in the days ahead. Was glad to say he was our friend. God bless you. Love in Christ, Steve and Pam Branam.
