“ To Jennifer, the kids, his parents, and siblings, Remember that you are not alone in this loss of Jake. He became one of my most fun cousins in my older years. I didn't know he could be so much fun and I so serious. God blessed us all with him being in our lives. I will be contacting you to see how you are doing and if you need me to do a favor like watch the kids or something. I'll be more than glad to do it. I love you family. We are all grieving with you. We will see him again!
