

Rosetta Harmon-Walker

October 31, 1944 - November 2, 2025

Rosetta Harmon-Walker, lovingly known as “Tootsie” to her family, was born on October 31, 1944, in Wynnewood, Oklahoma, to Oscar Lloyd Corley and Goldie Mae (Whitson) Corley. She peacefully passed from this life on November 2, 2025, in Sulphur, Oklahoma, at the age of 81.

Rosetta grew up in Wynnewood where she attended Wynnewood Public Schools through the 11th grade and later proudly earned her GED.

On June 11, 1963, Rosetta married Donald Ray Harmon, Sr. in Wynnewood, Oklahoma. Together they shared many wonderful years, raising their family and traveling together. After Donald’s passing, Rosetta was blessed to find love again, marrying Grant Walker on December 22, 2014, also in Wynnewood.

Rosetta had a long and dedicated career in banking, but before banking, she started out at David’s Food Center in Wynnewood, Oklahoma before joining First National Bank, later known as Landmark Bank, where she served as a loan officer for over 30 years. Her professionalism, warmth, and genuine care for others left a lasting impression on colleagues and customers alike throughout all the Landmark Bank locations she visited.

Beyond her career, Rosetta’s heart belonged to her family. She adored her children, grandchildren, and great-grandchildren, cherishing every moment spent together. She was well-known for her delicious home cooking—especially her chicken and dumplings, taco soup, and beans and cornbread—and for the joy and comfort her meals brought to those she loved.

Rosetta's faith guided her life. She was a faithful servant of God, always giving "all credit to God" for her blessings. She was known for her unconditional love, positive attitude, and the way she always saw the good in others. Rosetta never had a bad word to say about anyone and constantly found ways to help those around her.

The highlights of her life were her family and the adventures she shared traveling with Donald and later with Grant. She will be remembered for her loving spirit, her gentle strength, and her unwavering kindness that touched all who knew her.

Rosetta is survived by her sons, Donald Ray Harmon Jr. and wife Cindy of Hennepin, Oklahoma, Kevin Todd Harmon and wife Penny of Wynnewood, Oklahoma; Sisters, Carolyn McDaniel and husband Gary, Joyce Bittner; Grandchildren, Ashley Cannon and husband Adam of Purcell, Oklahoma, Eddie Harmon and wife Catherine of Ardmore, Oklahoma, Harley Harmon-Ronk and husband Deryk of Ada, Oklahoma, Chance Harmon of Wynnewood, Oklahoma, Colton Harmon and wife Madison of Noble, Oklahoma, Caitlin Harmon of Wynnewood, Oklahoma; Great-Grandchildren, Thalia "Mili" Antonio of Purcell, Oklahoma, Audrey Cannon of Purcell, Oklahoma, Emily Harmon of Ardmore, Oklahoma, Ryeker and Logyn Ronk of Ada, Oklahoma, Claire Harmon of Noble, Oklahoma; and a host of other friends and family.

Rosetta was preceded in death by husbands, Donald Ray Harmon and Grant Walker; Parents, Oscar Lloyd Corley and Goldie Mae (Whitson) Corley; Grandparents, Huey and Virgie Mae Whitson; and numerous siblings and family.

“*Rosetta was truly one of a kind. She was beautiful, funny, and the sweetest person you could ever meet. And if you knew Rosetta, you knew just how stubborn she could be too! I've had the absolute pleasure of getting to know her and being her nurse for the past two years, and in that time, she's become like family to me, like my own grandma. She lit up every room she walked into and was always my favorite person to see each time she came for treatment. I will never forget all of the times we shared together. She made such an impact on me during her time here, and made me realize even when times are tough, this is why I choose to do what I do everyday. I just know she's up in heaven right now, driving fast, tending her garden (leaving no weeds behind), and causing trouble, giving everyone a run for their money. She had the kindest soul and will be so, so missed by all of us in her Phase 1 family here at OU. My thoughts and prayers are with her family.*

*Love,
Morgan & her OU Phase 1 Family*
