“ *Visited her in the Assisted Living Center. I remember her coming to our once for Carolyn and Donnie's wedding. She was bright, outspoken, sweet and a very strong woman. I know she didn't know me the last time we prayed but she still smiled. Her children loved her and her influence is floating in the blood of a long list of great great grand children. Ruby inspired a poem I wrote once for her. What a life she lived. Now heaven and reunion. Larry Sparks*
