“ I remember me and Angie going to her house for the summer. We would have so much fun. We would help her with her garden and mow the lawn. There are lots of memories from those summers. We love you grandma.

“ *My mother was my best friend and my hero! She raised eight children alone with the help of our Church family at the First Church of God in PaulsValley. She always put her children first and made sure we were in Church anytime the doors were open. She loved the Lord with all her heart. She always told us that the Lord has always been there for her no matter how rough things got. She was an amazing woman who always put others first. Love you mom and I will see you again! 💖*
