“ *Thoughts for You, My Grandma:*

You were always more like a "Mom" to me, my Guardian Angel who taught me how to be. I may not of always followed your lead but in my heart I knew right from wrong and I never strayed too far. I want to thank you for that Grandma! For your unconditional never ending love and for the time you gave to me and Howie and Char. As children, you were our Rock. Like my sister, I remember coming home after school and you always being there. Thanks again Gram for all that change you gave to us to spend on "chico-sticks" at the corner store. I still can't buy one without thinking of you! There is so much I wish I could say to you but mainly I want to send you my Love! You shaped my Life Grandma and I will always cherish you!!!

Forever your Granddaughter, Michelle##imported-begin##Michelle Marie Parker##imported-end##

“ My dad, Paul (Hershel) Stein loved his cousin, Ruth lone so much. He called her and her sister, Alene often. When he went into an assisted living home, he was no longer able to call. He regreted that. Paul died last April. I guess he and Ruth are finally together again and reminiscing. You have our sympathy. Sincerely, Leonard and Kate Stein###imported-begin##Leonard W. “ To Aunt lones Children and Grandchildren we send our deepest sympathy and our love and prayers.
Aunt lone was such a part of my life growing up in the East Bay. She was my father's younger sister. Our families often visited each other as all of us were growing up. I'm so glad that Ellen was able to be near her. Just last October I called Ellen with the loss of one of our cousins- Cheryl Johnson Divodi.

Aunt lone always was so gentle and loving. i know we will always treasure in our hearts the wonderful woman she was.

May you have peace from The Lord each day. I know she is in His care now.
