

Samuell Henry Goody

March 7, 1942 - February 26, 2013

Samuell Henry Goody of Pauls Valley, Oklahoma was born to Charles Henry and Lydia Pauline (Spencer) Goody on March 7, 1942 in Zanesville, Ohio and passed from this life on February 26, 2013 in Oklahoma City, Oklahoma at the age of 70 years.

Sam grew up and graduated high school in Zanesville, Ohio. He had two years during high school in the Marine Reserves and two years in active Marines and ultimately was a Sergeant. Sam and Perla Martinez were married on May 28, 1965 in Hagerstown, Maryland. He was employed at Dennis Abex Corporation in Columbus, Ohio and during this time attended night school until he received his Bachelors degree from Franklin University in Mechanical Engineering. In 1979, after graduating college, Sam taught engineering and quality control at Tulsa Junior College in Tulsa, Oklahoma. In 2000, Sam and Perla moved to Pauls Valley, Oklahoma where he was employed as Quality Control Engineer for Cover Craft.

Sam enjoyed carpentry, was an avid motorcycle rider and sports car enthusiast. The couple toured basically all of the United States on their motorcycle. Perla never refused to go anywhere with Sam on his motorcycle. Sam was a most humble and generous man, always giving of himself and his time for his church and church family. Sam had a servant's heart, in his humble way always deferring to Pastor Perla. It was through his efforts the Methodist Fellowship of San Mateo was remodeled. Sam stood by Perla in all of her charitable ministries.

Those who worked daily with Sam saw a person who was always in a good mood, friendly to everyone, and helpful to anyone in need. Sam led by being a great example, he was more than a boss, he was a friend and great human being and the greatest father figure many ever experienced. He encouraged all of his employees to continue their education by attending university. His dedication and selfless nature was something others could only hope to attain. Sam Goody was regarded with great respect and admiration. His efforts helped the company move forward with great strides and also led Covercraft to have a very positive impact on the community. Sam was such a remarkable man. All who knew him in this world were strengthened by his kindness, honesty, and strength.

His family and those who worked with him will grieve the loss of his presence greatly, however, they realize he has gained a great victory. Earth's loss is Heaven's gain.

Mr. Goody is survived by:

Wife: Perla Goody of the home

Daughter: Kimberlee Hawkins and husband Char of Katie, Texas

Brother: Charles Douglas Goody and wife Winona of Clearwater, Florida

Memorial services are scheduled for Friday, March 1, 2013 at 1:00 p.m. at the Pauls Valley First United Methodist Church with Rev. Mark Watson and Rev. Steve Martinez officiating. Arrangements for cremation are under the direction of Wooster Funeral Home. The family requests memorials be made to the Wounded Warrior Project, P. O. Box 758517, Topeka, KS 66675. You may send a condolence to the family at www.woosterfuneralhomes.com.

“ Sam and I met 8 years ago while I was auditing Covercraft's Environmental System. I immediately knew I found a long lost brother. Both born in Ohio, both loved anything with a motor, and most important veterans. While we all shed a tear over our loss, I know I'm a better man for having know Sam.

“ Samster, you old Marine.....you left us way too soon. Your professionalism, coupled with your always-cooperative attitude, were invaluable assets at work.

But we also considered you to be a personal friend. Your sense of humor and easy-going personality made it such a pleasure to interact with you each day. Our shared love of family and country served to further cement our relationship. We miss you!!!!

When we hear the term Standard Average Minutes (SAM's), we will always smile and think of you.

God bless, Lori and Mike

“ Sam, I have many memories of you, but two words naturally come to mind when I think of you. Measurement and chart. I don't know how many times over the years I heard you say, "Where is your measurement?" or "That needs a chart". I can sincerely say there is not an accurate way to measure the value of your guidance and support over the years. Many times you encouraged me without even knowing. I will always remember your character, values, and leadership as off the charts and above the goal line. Leasa.

“ Sam, while I will miss you a lot I do take solace in something I learned long ago....when you leave the people you meet and the places you go in better condition than you found them you will always be remembered.

I, along with 300 plus screaming Covercraft crazies, can confirm that you have left us better than you found us.

Sam Sam the Yamaha man was something I said to you everyday as we would pass each other at work even after you changed bikes and laughed when I continued to call you that. It didn't matter how you felt or what was goin on your smile was a welcome sight. Covercraft will not be the same without you. Thank you for all the smiles and kind words. Go rest high on that mountain. Dena Hammond

“ To all Sam’s friends,

I am deeply saddened to learn of Sam’s death and I would like to express my sincere sadness and sympathies to all who had the privilege to know him. Sam was a highly valuable and respected manager within us here and the effects of his loss are already being felt here by his fellow employees and the management.

Sam and I shared an office together for 13 years in which we both had some good days and some bad ones too. He was always in a good mood every mornings, friendly to everyone and always trying to help to anyone however he could. He was a great example for me. He was more than my boss, he was my friend, a great human being, and the greatest father figure I never had.

Sam was someone who any owner or manager would like to have in their employ...a professional and wise person.....it was always a joy to see him at the office.

During his many years here, his dedication and selfless nature was always something that many others could only hope to attain and all who knew him regarded him with great respect and admiration. During his time here he helped our company move forward in great strides and his efforts and contributions in many ways will never be forgotten. I can remember how much of an impact he made when he became a part of our company and the impact that we will all share with his absence.

I am grateful with God to have given me the opportunity to have met Sam and have shared many moments together. This is very hard for me to accept because I can already feel his absence. However, I know this is a great victory for him. Along the years and now as a Pastor, I have learned that even though we may not always agree with God about who He takes and when He takes them, I have learned that God’s Will always has to be done. I am excited to know that Sam is in a better place now and will suffer no more. I will

always remember him as my Best Manager of Covercraft, Inc.

!! They say love beyond the world cannot be separated by it. Death cannot kill what never dies.!!

Sam was a remarkable man and we here at Covercraft are all better people for having known him. For those of us here who knew Sam outside of work, we knew him to be kind, honest and a man of great honor and strength.

As we all grief his death let us not forget the pain his beautiful and loving wife Perla and their daughter are going through. I ask, that in this difficult moment for them that we take a moment of our time to hold them in our thoughts and in our prayers so that God may give them the strength in this great time of sorrow.

Covercraft will miss You Sam.

*With Sincere Sympathy,
Nestor Garcia.*

!! When someone you love becomes a memory, the memory becomes a treasure.!!!

“ My thoughts and prayers go out to Sam's family and close friends at this sad time.

*Upon meeting Sam for the first time, my initial thoughts were WOW
What a "Free" spirit!*

I remember hearing this roar outside of the facility, then in walks Sam with his motorcycle helmet in his hands, and dressed in his "Leathers". I did not know Sam as well as his co-workers in Pauls Valley, but always looked forward to his visits to Wichita Falls. He will surely be missed.
