“ Jeff, we remember you and Shirley coming to visit us when you were delivering flowers one holiday. You were taking such good care of her. And Jeremy, we visited the night she and your Dad brought you home from the hospital. You were so tiny and they were so proud of you. We have memories of many happy “cousin” events. We love you guys and are praying for precious memories to comfort you. God bless.

“ I've know Shirley for quite a few years. We worked together and through Facebook I was able to reunite with Jeff and Shirley. I've been through this journey with Jeff since. Although I live in Arizona, he knew he could call or text me. He was the best son a mom could ask for. Shirley was his everything and will always be. There love is eternal ❤️
