“ Mr. Bales was one of my favorite teachers. He challenged us to "think outside the box," not only in his classroom, but in all aspects of life. He was always kind and thoughtful and was a good role model for all of us. He was the kind of man that young guys could look to for an example of how to be a good man. Our class was a rowdy one at times, but I never once heard Mr. Bales raise his voice to get our attention or to lead us to follow his instruction. He was genuinely one of a kind and my life was blessed by having him as a teacher. Prayers for your family and thank you for sharing him with all of his Badgers.

Dear Sharon and Family

*We were so sorry to learn of Sid's passing. He was a good man and loved his family. He became part of the Young Family when he married Sharon and we were better for it. He will be missed, but we are comforted knowing he is not struggling and at peace with Jesus.
