*Earth has lost a great man who made his own differences in it. It's sad that he couldn't stay but he remains in our own memories and he is no longer in pain or suffering. My deepest sympathies to you Linda for I can't imagine losing my love but I can be there for you. He is an Angel watching over us now!*

*His enjoyed life with you so much and his photography skills grew each and every day. It was just one of his passions you both shared and I'm so happy you were a big part of life. You both took some amazingly beautiful pictures. So sorry for the delay in posting this but it has been my first chance to do so.*
