“ *I was thinking of Steve on March 1, 2024 and searched his name and was extremely sad upon learning that he passed several years ago. I met Steve in January of 1987 on an oil well in Cement, Ok. He was the technical sales rep for Gearhart and I worked for Mobil Oil. We immediately hit it off and became very close friends. He was my go to person for all wireline operations during my 6 years in Oklahoma. He was such a great guy and the world is missing a tremendous personality. I'm sure he is in heaven right now telling stories. I shed several tears just thinking of the good times we shared. I'm certain his family misses him so much and I just want them to know he really was a great man and I'm sure his passing left a huge void in their life. My condolences to his family.*

“ I am so very sorry to hear of Steve's passing. I remember my Dad taking me over to Al & Katherine's home when I was a young child and Steve would be playing the drums. He was always such a kind, pleasant guy. My family was very close friends with the Wigleys and they are all very wonderful people. My thoughts and prayers are with you. Carla Smithen

“ Our hearts are saddened by Steve's passing. Although we were separated by many miles and circumstance, we considered Steve a part of our family. We loved him for giving us our dear daughter Stephanie, and for being Ella's and Maya's grandfather and father-in-law to our son Kevin. Our sincere sympathy is extended to them, to Susan, Jessica and Jill and to everyone who loved Steve. Bless you all during these difficult days, and always.
