“ Bobby & Fred

I became acquainted with Sue in the early '60s when we each were legal assistants on the same block of Willow Street. We shared many lunches where she told stories of you, her sons, where her motherly love was so evident. She was as beautiful as any Hollywood star and had a heart of gold. I am so glad she was my friend for such a long time. David joins me in extending our sincere condolences to you and all of your families.

“ Our thoughts and prayers are with the family. I loved visiting with Sue. She was a very special lady in a lot of different ways. She will be missed by many. Sue was a beautiful lady inside and out.

“ Robert Jr. and Fred Holley and family I am sadden to see that your mother has passed away. Sue was a very sepcial lady and you have been blessed to have her with you all these years. My Sympathy, love and Prayers are with you all, you will all have many happy memories to share with each other in the future. May God Bless you all.

Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around. People come into our lives for a reason, a season, or a lifetime. Embrace all equally!
