“ *Susan had a quick wit and a bubbly personality that spilled out around her. She always smiled and laughed. Being fun to be around. I remember she loved cars and pickup trucks and was an excellent driver. Always bragging on her dad's skill at driving trucks and attributing her skill to him. She loved her family and also talked about how beautiful her mom was. My condolences go out to the family. I know she will always be in your heart and memories.*

“ One of my favorite memories of Susan was after she had Crystal. I remember her walking in the front door of Grandpa and Grandma Scott's beaming as a beautiful, new mom. I was so excited when she let me hold Crystal and what was the most exciting was Crystal was born on my birthday! RIP Susan! ❤️
