“ *Looking at old photos from when we were teenagers, reminds me of all the fun we had.*

Life slips away so fast. I will cherish those memories and forever have you in my heart.

“ Tammy, You will always remain in my memories. The Love we shared was much more than just cousins. I believe sometimes it was even stronger than a sister. As a child singing "Walking In a Winter Wonder Land" together. Teenage talking about the boys. Adult talking about our husband and kids. I'm going to miss you so much.
