

Taylor Dale Cowan-Paul

March 24, 2010 - December 12, 2010

Taylor Dale Cowan-Paul flew home to heaven on Sunday, December 12, 2010, at the age of eight months and eighteen days old. Taylor was born on March 24, 2010 to Brittany Cowan and Cody Paul. Taylor's earthly home for the past eight (8) months has been the Children's Medical Center in Dallas, Texas, where he was treated for Left Hypoplastic Heart Syndrome and Pulmonary Hypertension. During the precious time Taylor was off the ventilator, he had a smile that would melt any heart and a kick that bounced him in his bouncy seat, one of the few joys he had in his little short life.

Taylor is survived by his mother Brittany Cowan of Paoli, his father Cody Paul of Pauls Valley, maternal grandmother Darla Cowan of Paoli, paternal grandmother Tammy Mantooth of Pauls Valley, paternal grandparents Jackie and Tina Paul of Elmore City, Uncles Bryce Cowan of Paoli and Jessie Paul of Pauls Valley, Aunt Jessica Spivey of Paoli. Also, maternal great-grandparents Michael and Reba Dunnam of Paoli, Carl and Kay Cowan of Comanche, paternal great-grandparents Glenn and Joyce Ingram of Pauls Valley and Beth and the late Jim Paul of Elmore City, as well as many great aunts, uncles, cousins and the loving and caring staff at CMC.

Taylor was preceded in death by his maternal grandfather Tony Dale Cowan, maternal great-grandparents Robert and Georgia Parker, maternal great-great grandparents Albern and Jessie Parker, Donald and Lucille Miller, Larry and Maxine Dunnam, Cecil and Delois McDaniel, Jim and Mabel Cowan and his paternal great-grandfather Jim Paul.

The celebration of Taylor's life will be held at 2:00 p.m. on Thursday, December 16, 2010 at the Wooster Funeral Home Chapel with Rev. Brad Nicar officiating. Interment will be in the Paoli Cemetery under the direction of Wooster Funeral Home. You may send a condolence to the family at www.woosterfuneralhomes.com.

“Brittany, Cody, & Taylorbear-Angel, thank you for sharing your journey with us as we shared ours with you. We feel blessed to have shared the last 8 months of your lives with you. I believe that we met for a purpose. You guys will always be... a part of our lives and hold a special place in our hearts. I met with the chaplain today and we said prayers together, while I cried and told hiom of my hurting heart and how much we missed you. We will never forget your beautiful baby blues, and that precious sweet little smile of yours with your tongue out will never be forgotten, nor your love of your bouncy seat, we loved to watch you get excited playing and that little leg would just go to kicking, or the way I watched your little eyes follow your momma. I know she loved you to the moon little man and I know you loved her just as much. You look sooo much like your daddy, but your momma, too. You are lucky to have Brittany and Cody for your Mommy and Daddy, I know they cherished every day and moment that they spent with you. You are one of the most beautiful babies that I have ever seen here on earth, I imagine Heaven is a much brighter and lovelier place now that you are a part of it. Say hello to my Angel's for me and tell them that I can't wait to see all of you again. Until then watch over your Mommy and Daddy and help them find PEACE. Also, your Grandma Darla and her wonderful parents, I was lucky to be able to meet them, too and see how much they loved you. I $\phi^{3/4}$ U Always Taybear. Blake and I will bring you balloons and a penguin next time we come through... I HOPE that you know and that your parents know just how many people's lives were changed by knowing you and how many people were blessed to share your journey. GODSPEED, little man. $\phi^{3/4}\phi^{3/4}\phi^{3/4}$ We##imported-begin##Stephanie & Blake Pearce##imported-end##

My deepest heartfelt sorrow for Kay and Carl and the rest of the family.##imported-begin##Cheryl Johnson##imported-end##

“ Dear Brittany and Cody,
I'm Amy Lewis' Mother and I met you all at CMCH in Dallas when our little Brynn was there. Amy has kept me informed about Taylor ever since you all were there. Words cannot express how sad I am today for you, but, Taylor is in God's loving arms and you will see him one day and he will know you and you'll be with him forever! I know how your heart must be breaking at this moment, but, God will give you strength in the coming days to be able to get through this. I've been praying for you and Taylor these last 8 months...Amy and Scott have been praying, too. We are here for you if you ever need to just talk.
May God hold you in the palm of his hands..He's got Taylor and he will be waiting on you.

“ Brittany & Cody,

My heart breaks for you as you go through this tragic time in life. Just know that Baby Taylor is in a much better place where there is no pain. No one to come and poke him with needles. To put in tubes or hook him up to the vent... He's in a place where he can finally smile and not have a care in the world. He has touched more lives than you will ever know. My thoughts and prayers are with you guys as you face this difficult time. I love you! And your Teeny Little Super Guy too!##imported-begin##Laura Jo##imported-end##

“ Brittany, I am so sorry for the loss of Taylor. He is a fighter. My favorite scripture during such a time is Romans 8: 28. GOD will work everything out for good to those who love GOD who are the called according his purposes. I believe that GOD is going to work it all out for good. You will receive so many blessings from others that u were not even expecting. Taylor is safe in Jesus arms and he is happy. Brittany I pray peace and comfort and strength for your family. May u feel the presence of GOD so strong this week and the coming weeks. Love, Lori##imported-begin##Lori Braucht##imported-end##
