“ Tommy and Kelsey, It is with great sadness to hear of Teri Passing. Pleas accepte my nt Sympathy in you loss.

Too often we underestimate the power of a touch, a mile, a kind word, a listening ear, and honest compliment, or the smallest act of caring all of which hve the potential to turn a life around. People come into our lives for a reason, a season, or a lifetime. Embrace all equally!.

God cares when we lose someone so special! We may never understand why someone caring, kind, and good would have to leave us long before we ever thought they would. Wet, comfort comes in knowing God is with us every day and grieves with us when one so full of goodness slips away. And sok, we trust His steadfast love through sorrow, pain, and fears, As He hold us gently in His arms and wipes away our tears.

With God's love come this prayer that you will find peace in the care of those who walk with you through this difficult time.##imported-begin##Harold Bradley##imported-end##
