“ *Sorry to hear of Terry's passing. I used to attend church with him and really appreciated his presence in that community over a period of many years.*

*I am thinking about his family and friends at this time.*

“ *So sad to hear this news. Terry had such a big heart, especially for veterans facing challenges.*

*Most of all, I appreciated Terry's tolerance of those who saw the world differently. Terry and I used to be part of the church and we sometimes butted heads about issues we disagreed about, but Terry made it clear that despite our differences, that he cared about and appreciated me.*

*He was a good man and will be greatly missed.*
