“ Terry was always so full of life and happiness. He also had a mischievous side which gave some anxious moments to his sisters. During my longtime friendship with Nancy, I have always seen a protective and loving relationship with him and know that Lawana has the same feelings and pride in him as a brother. Not many people can be remembered as having amazing qualities of patience and strength as he had in life. We pray for comfort from the Lord and treasured memories of time with Terry. “ Terry Joe (TJ) is and was a life long friend and brother to me. We rode motorcycles together many thousands of miles, we roomed together at times, I went to several of his family reunions, we talked military to each other, he was a Great Friend and will always be remembered. I visited him weekly while he was at the VA center in Norman before passing. We were and still are best of friends, just like brothers. As Veterans to each other say "You Will Never Be Forgotten". You left this earth too soon, but we will see each other again. Love You Brother

“ I'm sorry to hear of Terry's passing. He was a good man and served our country well. He drove the most beautiful Gran Torino after he got out of the service. I worked with his sister Luwana and I'd like to contact her. My prayers and condolences to his wife and family.
