“ *Dear family, we just found out about Sally from Evelyn in New Mexico. Please accept our deepest sympathies as Sally was one of a kind. The RHODES family has many wonderful memories of her. She will be missed greatly but rests with God now. I, personally, remember many visits as a child to Katie and playing with the older girls my age. She was always so kind to me and I will forever remember her laugh. She always had a smile on her face. Rest In Peace sweet soul. As a side note and in our time of media connections, I am on Facebook if anyone else would like to have a way to stay in touch. Lynda Rhodes, Dallas on behalf of our family.*

“ Sally, you were like another mother to me. You and Ronnie have been a great example of a Christian couple for all of us in the community. I will always treasure all the fun times I had with all your girls growing up next door. You were such a humble, kind, sweet, loving person. I feel so privileged to have known you all these years. I especially feel so grateful to have had you as a Sunday school teacher and all those years you taught me at Bible school. You will be missed here on Earth, but I have God's promise that we will see each other again in Heaven. Until then rest in peace sweet friend.
