“ Thomas was one of my best friends all the way through school. Some of my best memories of high school were playing football, cruising town or just working on his car with my best friend, Thomas Gibson. God gave me a wonderful gift when I got see Thomas at his baptism. Although I hadn't seen Thomas for a very long time, I was never happier to see my old friend from high school and know that he had accepted Jesus as his savior. May God give you the peace and understanding that Thomas is with God. I love you, Thomas. May I join you someday.

“ I choose to remember Thomas as a most quiet, kind, gentle and selfless soul. After David's devastating heart attack in 1996, Thomas was there and gave David a chance to work with him in Kazakhstan. I'll always be grateful for him giving David this chance because David was feeling very helpless and hopeless at the time. Through Thomas's action, David was able to fulfill his dream of working overseas. I am convinced that this opportunity extended David's time here on Earth. I'll never forget Thomas's leap of faith. Although all of us had gone our separate ways over the years, we'll all miss Thomas.

“ My heart is so sad and my heart goes out to each one of you. I went to school with Thomas for 12 year. I remember when we were seniors we just could not wait to graduate. Thomas was such a great person. He was always so kind to everyone. I remember when we were in grade school we would play chase. It would be the boys against the girls. We girls always lost because Thomas was to fast for us to catch him and he could always catch all of us girls. We shared so many good times growing up together. Thomas was our hero for the class of 1978. He made our football team shine. I can just see him getting that football in his hands and trucking it all the way to the goal line.

My heart and prayers go out to the family and I hope that God will give you peace in your time of sorrow. Thomas will never be forgotton. May he rest in peace.

Sincerely,

“ I am so sorry for your loss. I didn't know Thomas other than the fact that he worked with my little brother, Rusty Thompson. You are all in our prayers and I know the pain you are in at this moment. Keep your eyes on The Lord and keep your faith in Him. Cling to Romans 8:28.
