August 8, 1970 - November 16, 2022

TinaMarie Ann Brewster was born on August 8, 1970 in San Jose, California to Dennis and Judy Lee (Grant) Binard. TinaMarie passed from this life on November 16, 2022 in Norman, Oklahoma. TinaMarie was a wonderful woman and always put other people before herself. TinaMarie married her soulmate Ricky Lynn Brewster on July 28, 2003 at Story Baptist Church in Story, Oklahoma. TinaMarie worked as a teacher at the Word of Life Christian Academy for a period of time and she was a Sunday school teacher at Hughes Baptist Church all the way up until her immune system got so bad she just couldn't get out anymore. Growing up she was able to reunite with her mother and she was very excited about that, she was a Jesus loving-family woman who loved her children and grandchildren. Her grandchildren were her life. Her family said that TinaMarie loved getting her nails done and made delicious salad and lasagna that they will miss tremendously. She always taught everyone she knew about Jesus and that he was number one. It was said that she made Ricky the man he is today, and she inspired many others to finish school and live right by the lord. TinaMarie was very well known for her big heart and unconditional love. One thing you could count on, no matter the choices you had made in your past, she was going to love you through them all. She will be missed by so many.

“ Tina had a sweet, beautiful spirit about her. That was the first impression I got of her and not only did it never change, it became even more evident as our friendship grew. The second thing that impressed me when we first met was that hair!!! I had, had long hair growing up, but it didn't come close to what Tina had. That braid almost reached the floor. She loved her family, loved her friends, and loved working for the Lord. Jesus was a part of everything that drove her, from her raising her children and making a home for them and Ricky, to being there whenever someone needed her. I'm so grateful that I know where she is, and that it won't be long before we will be walling those golden streets together.

“ This has made the the saddest I have been in a long time. I am not much of an emotional guy, but I loved Tina dearly. I can not tell you a time I ever thought of Tina as anything less than a wonderful person who would do absolutely anything for you. When deployed in the invasion of Iraq, I often looked forward to letters she and Michael sent. It was always a highlight to the terrible life we were living. I dont remember a time I ever called or messaged that she did not answer or quickly return my call. She was never judgmental and would give you a powerful suggestion to get you through anything. We often talked about trips to see each other, and I will have to live with the fact that some of those never happened. The world lost a wonderful person, but Tina would agree that life is eternal and we will see each other again. I love you Tina.
