I just learned of Towana's passing and I wanted to express my condolences to her family. When I started work at the Garvin County Health Department Towana was the administrative assistant. She was a wonderful friend to me. It was a difficult time for me and she helped me so much not only with a new job but she reached out her hand in friendship and love. She even helped plan my wedding reception. I missed her so much when I moved to Kingfisher. What a truly beautiful person inside and out.
