“ *I would like to express my sympathy to Trease's loved ones. We were in a Sunday School class together at First Baptist Church in Lawton. She was so friendly and always had a kind word or deed. I will miss her, and I know many others in our church will miss her too.*

“ *I will always respect Trease for the kind and gracious lady that she was. As a young new home economist in extension, she never failed to be kind and generous explaining details of work that I did not understand. She was someone to look-up to, and try to be just like her. She kept the extension motto "she led by doing". She was always there with a sense of humor. As a president of our association she was a really strong example to follow. I am sorry for her passing. “ I have several memories of Trease. First, her wonderful work with the OSU extension center, second as a client at my business, Fit For Life, exercising, laughing and enjoying the social environment and as a campaign supporter, along with her companion David. She made everyone feel special when she talked about the many aspects of the Extension Center, she was a devoted person to exercise and she and David were responsible for me to get myself seen and known at the Armed Forces Day Parade while standing in the back of one of David's wonderful trucks. I was running for a Council seat in Lawton and this experience launched my candidacy to a win. I will never forget her and I know she is well taken care of with the Lord. David, I know you will miss her. Please know you have my prayers for your pain. I think of you often and will always cherish those days when you cared enough to support me in the campaign.

“ My prayers for all during this time. Trease was a very special lady and always had a kind word for everyone. I met her at the restaurant that I worked at and was always happy to see her. She will be missed.

“ Please accept my sympathy on the passing of this special woman. Trease was my boss at the Comanche County OSU Extension Office years ago. I learned many things from her and considered her a mentor and a friend. May you all be lifted with blessings of peace and comfort. Pat Reffett

“ For many years Trease and I shared a professional relationship. I was a vocational home economics teacher and often she helped me with resources for my classroom. We belonged to the same church and enjoyed seeing each other in that setting. My husband, Jerry, and I will miss her friendly greetings and sweet smile. Our deep sympathy to her family.

“ My deepest sympathies. I had the privilege to work with Trease in the Comanche County Extension Office. As the 4-H Educator she was a wonderful mentor and friend. She truly believed in the Extension mission and the "profession" of being a Home Economist. Thanks to her and others of her time, she blazed the trail for women to have professional careers. She will be fondly remembered.

“ *Very sad to hear about this. Trease retired before I started to work at the County Extension Office but we kept in touch while I was there. She was a great supporter of the county 4-H program. My prayers go to all her family.*
