“ Merline, I know your heart is aching and I wish there was some comfort I could offer. I have learned from experience, however, that the only comfort comes from God. I thoughts and prayers are with you and your family. I have so many fond memories of your mom from when you lived up on the end of town next to the new high school. Remember the night daddy let us walk to the park and listen to a concert I think. I remember your mom smiling ear to ear for some reason that night. In fact, her smile is what I remember the most about her. i am sure she is spreading that smile around the angels now. If you need to talk, I am here. i don't care what time of day or night it is. I have congestive heart failure and bacterial pneumonia right now so I don't sleep much at all. Can't breathe when I lie down. So I am usually always up and here for you. i love you girl... your buddy, Dee###imported-begin##Dee Colson Pool###imported-end##

Just thinking about your family during this sad time. My thoughts and prayers are with you.

I played the video and how wonderful it was to see her infectious smile. I have fond memories of time spent with the family on holidays.##imported-begin##Vickie Lee##imported-end##
