

Voncille Shipley

October 21, 1927 - July 30, 2017

Wanda Voncille Shipley, age 89, was born on October 21, 1927, near Healdton, Oklahoma to James Wesley Emberling and Emerine (Stewart) Emberling. She was raised in Healdton, graduating valedictorian from Healdton High School in 1945. She moved to Ardmore to work for Oklahoma Natural Gas Co. where she met Larry Longino.

Voncille worked for several years as office assistant for Gordon Edwards Insurance until she formed her own bookkeeping service. She continued her business after Larry died in 1972.

On May 17, 1974, she married William John Shipley, who managed the Pauls Valley location of Carey Lumber Company. In 1976 they purchased that location renaming it Shipley Lumber Company. They closed the lumberyard in 1990 and raised and sold Limousine bulls for several years.

Beginning in the fifth grade, Voncille dreamed of writing fiction. Her busy life postponed that dream until age 69 when she sold several articles based on her hobby of researching genealogy. But she really wanted to write stories, so she spent three years writing her first attempt, a series of historical family novels set in Oklahoma's early statehood. She published her first book when she was 75 years old. In all, she had five books published. She changed the setting of the last three to contemporary mysteries. After her baptism as a teenager, Voncille lived the rest of her life as a Christian. She and John devoted themselves to the Church of Christ. She was preceded in death by her parents, husband, Larry Longino, and her two brothers, Garvin and Glynn.

Mrs. Shipley is survived by her husband: John Shipley; nephews: Gary Emberling of Texas; three nieces, Diana Canary (JC) of Tuttle, Christy Hay and Marie Sweetland (Rusty) of Ardmore.

Funeral services are scheduled for Wednesday, August 2, 2017 at 2:00 p.m. in the Wooster Funeral Home Chapel with Paul Melton officiating. Interment will be in the Mt. Olivet Cemetery under the direction of Wooster Funeral Home. You may send a condolence to the family at www.woosterfuneralhomes.com.

“ *Dear Cousin John. I'm so glad I got to have a visit with Voncille last fall. There are so many memories to cherish of you two when Joe and I would pull the RV up under the trees to be next door neighbors for awhile. You and Joe could talk politics and Voncille and I could do a bit of family history research. In my mind, I can hear Voncille singing hymns sitting next to me at Church on Sunday. We always went out for Sunday dinner together. My so many good memories for always. I do hope she has already found my Joe. Dear John think of all the happy times you two created together. Love you! “ *Voncille was best aunt you could ever dream of. Not only was she my aunt, but my next door neighbor my whole childhood. There was rarely a day that I did not spend time with Voncille and John. Voncille taught me almost everything I know. She taught me how to subtract shelling green beans. She taught me how to read by reading Are You my Mother by Dr. Seuss. She taught me how to tie my shoes. She taught me how to crochet. She taught me how to quilt. She taught me how to do laundry and the proper way to fold towels. She taught me how to do my taxes. She taught me how to be patient. She taught me how to be a Godly woman. She taught me how to be loving wife. She encouraged and supported me my whole life. I love her so much. I choose to live my life the way I was taught, so that one day I can see her again.*
