Wade Allen Parks of Foster, Oklahoma was born on June 02, 1964 in Oakland, California to Bruce and Micheline (Leohmann) Parks and passed from this life at his home on Friday, May 12 at the age of 52 years. Wade collected knives, hats, watches, and Zippo lighters. He enjoyed watching and supporting the OU Sooners and the St. Louis Cardinals. Wade taught others to "stand up for yourself" and he educated everyone by offering his advice collected from his own life experiences which ended with him saying "do it better"! Wade was a very unique person.

“ *Wade Allen Parks was my dear cousin whom I loved from the bottom of my heart. He was a great cousin. He flew to CALI & was in my wedding in 2000 & it was a wonderful thing. Wade was a great creative mind as much of our Parks family is. Him & Jr. I have always loved very much. We all grow up & experienced life in different ways. Wade experienced a lot of hurt in his life but he loved deeply and really wanted to do big things for those he loved. He loved our American Indian Heritage on the Parks side. Although I only knew Wade & Jr (Bruce Jr) & Uncle Bruce & Michelline growing up from our toddler days in CALI weve stayed in touch all these years. I give my condolences to Michelines side of the family. So sorry for the loss of Michelline & now Wade. I always reminded my dear Wade of all the value he had as a human being and as my cousin & was close like a brother. Im glad he is in no pain & ill health. Ill see you again one day in paradise. I love you my cuzo & friend! He wrote a poem and named it MY FAVORITE COUSIN SANDY and it was published in a book of poems. He was going to send it to me but didnt get the chance. 🥹 Id love to see that someday!! JUNIOR I love you TONS!! So sorry for the loss Wade. Love you Junior!💙💜*
