“ *It's hard to believe that it's already been a year since my Cousin Wallace passed away. What a wonderful job he did while he was here, providing a strong foundation of love, leadership, and support for his family. None of us will survive this lifetime. But making happy memories and doing what we can to leave the lives our loved ones in tact, represents a life well-lived. Well done Wallace!*

“ I was deeply saddened to hear about Wallace. I went to school with him and as previously mentioned he was a great athlete. But more than that, he was a class act. He always had a kind word and a ready smile. My thoughts and prayers are with the family. God bless you all. Sharon###imported-begin###Sharon (Cook) Brown###imported-end##

“ My condolences to the family of Wallace. He was a friend and fellow classmate. A charming guy with a ready smile and a teasing joke. He also happened to be one of the best athletes I knew growing up in Pauls Valley. One of the central cogs in the success of several of our teams. He was the fastest guy out of the blocks leading off the relay teams ensuring the lead with the first exchange. He dominated the 50 and 60 yard dash statewide. Not bad at football either, just too much speed. Very sorry I can't be with you on Saturday. But I'll be thinking of him. Danny Pearson###imported-begin###Danny Pearson###imported-end##

“ *To the family of Wallace: It is with great sadness to hear of Wallace passing. He was one of the finest athletes to grace the Panther uniform. He and my son, Phillip ran track together and they graduated the same year. He will be greatly missed. I will keep his family in my Prayers.*

There are many things in our life that will catch our eyes but only a few will catch our heart. Those are the ones we need to pursue. Observe around you and be thankful for all that we have in this transitory lifetime.

God Bless the family in this time of grief.##imported-begin##Harold Brdley##imported-end##
