“ I am sadden this morning after receiving word of the passing of Wayne. My sympathy, love and prayers are with your all. You all will have happy memories to share with each other in the future. Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around. Wayne was this kind of a person. Being in business all those years could not happen in any other way. People come into our lives for a reason, a season, or a lifetime. Embrace all equally!
