“ While I have not seen Wiley for several years, we were very good friends in school. I enjoyed playing football with him as well as playing cards on the trips. I am very sorry to hear about his passing.

“ Hello Gayle & family...I'm so sorry to hear of Wiley's death. Seems like yesterday we were all in High School together. I can still see Wiley walking down the hall in his laid back manner, with a big smile on his face or in class asking if he could look at my home work. (giggling)
Such a nice person...Again, so sorry to hear about Wiley's death. Love to you & family...###imported-begin##Ginger D. *Virginia Hursh###imported-end##

“ Dear Gayle and Hugh:

Pat and I were greatly saddened when Hugh called to tell us about Wally. It is so sad to loose loved ones. Words hardly suffice to convey the feeling of deep heartfelt sympathy. You are in our hearts and prayers, and we pray for you to have strength and peace.

Many of my fondest memories are of times with your Mom and Dad and you two. Wally was just a little guy the summer of '43 when I stayed with you all while your Dad was away. I didn't know Wally very well when growing up as a kid because I went into the military near the end of WW II and then to college. It was only after Wally and I were grown that we came to know each other. He and I had a good visit at the recent Jones Reunion. I took a few photos including one of Wally.

Have hope in tomorrow, have faith in the Everlasting, and take comfort in the love of family and friends.

Love ~ Don and Pat##imported-begin##Don Davidson##imported-end##
