“ Coach Hendrickson is a great man. He helped to make many young men become much better men. He was the driving force behind so many fond memories. He had the ability to make average players think they were unstoppable. I was so fortunate to have had the opportunity to play for him and to know him. I know how much he cared for those he mentored.  
Rest in peace, Coach. You will be missed.

“ Can't say Bruce with out mentioning Oklahoma Geography & colored pencils.  
Lots of memories, the one that sticks out is when Coach Sander, Coach Henrickson & I were talking. I don't remember what Bruce said, it really pissed me off & I called him an SOB. Suprisingly I didn't get busted.  
Coach always said he was going to bust me, because he didn't get to bust my sister Charlotte. (RIP COACH )
