“ *Judy,
So sorry about your mom's death. She lived a long and service filled life. As you know, we lost mama (Marie) last year. We had a good life with many good Christian people as examples.
Love,

“ *Judy, I am SO SORRY to hear of your Mother's passing. We are in Fort Worth for my post op exam with all my Drs. I only learned about your Mother from an email sent by Ann Volker. I KNOW you were the delight of your Mother's entire life. That was very apparent. I know this will leave a huge vacancy in your home & in your heart; however, you KNOW she is experiencing eternal life with our Savior & has been reunited with your Dad & her parents & siblings who have awaited her arrival. Know that we are praying for your comfort & healing of this loss in your life. Your family is such precious friends of our family & we love you dearly. Be comforted in the fact that you are in the prayers of many. We love you & hold you dear as does our Lord & Savior. Robbie & EV###imported-begin##Robbie & EV Rogers###imported-end##*
