“ *Dear Family,*

I would like to say how very sorry I am for this sad time! I grew up in Bill & Billie's home and every morning they would fix me skillet toast while Butch & I watched cartoons. Every Friday night they would go Square Dancing with my Daddy, Leslie Atkinson & Mom, Joanna Atkinson. When they weren't dancing we were at the lake camping and riding in their boat. Our family had some of our BEST times when we were all together having ,what Bill & Billie did best and that was living their life to the fullest and that they did. I have often thought of Bill & Billie over the years and they have always had a special spot in my heart and I will miss them even more now. The family all have my warmest thought. Bill & Billie were just like my own parents and I loved them so very much! Love to the Family Dana###imported-begin##Dana Atkinson###imported-end##
