“ My cousin Winona was a truly extraordinary woman and had been a part of the fabric of my life ever since I can remember. She was beautiful and had an indomitable spirit! Wynona was an inspiration to us all. I loved visiting with her because she always kept me informed on Pauls Valley happenings. My prayers are with our Stevenson family. May God grant you comfort and peace. ❤️Lynn

“ *Velmer ;I am so sorry to read that your mother has passed away, My sympathy, love and Prayers are with you and your family, you will have many happy memories to share in the future. God bless you all. Velmer do you remember our baseball playing days in Pauls Valley, You and my son Phillip played on my team that I coached. There is a saying that goes likes this: They say it takes a minute to find a special person. An hour to appreciate them. A day to love them., but then an entire life to forget them. Do not value the things you have in your life, but value who you have in your heart. There is so little one can do, so little one can say to bring you consolation in the loss that's come your way, But may it help you at this time and bring some comfort, too, to know that others truly care and share your grief with you.*
